

Corneal

A Sinatra app generator
with Rails-like simplicity

Sinatra Template Default Page

Welcome to the Sinatra Template! If you're seeing this page, then everything is working as expected. To get started, delete this file (`app/views/welcome.erb`) and begin adding your own actions to `application_controller.rb`. For more information, see the [README](#).

Environment

Ruby: 2.7.2

Environment: development

Server: puma 5.1.1 At Your Service
